

## Fairfield R.S.L. Sports Club

### CRICKET PRESENTATION

The above club held its cricket presentation evening in the School of Arts, Fairfield, last Friday night. A very good crowd was in attendance, and all spent a very enjoyable time dancing to music by Ben Ross and Harry McNeill, and all games were keenly contested.

Bob Cook and Jack Weston were called upon to present the various trophies to the respective winners:—Keith Stimson, Ron Gollan and Ben Ross (A Grade); Bill Moss, "Tiger" Johnson and Jim West (B Grade); Keith Goodacre, "Blue" Moore and Max Woods (C Grade).

### SUCCESS IN SOCCER.

Congratulations to the Soccer team for their fine effort in winning the all-age competition in the Southern Districts Association. It was a grand effort, and all players pulled their weight. Many people were under the impression that our boys were a spent force and would not last the season. They went through the competition undefeated and scored 59 goals for only eight against, which is a very commendable performance. As there are still a further 10 matches to be played, and it should be well within their ability to score 100 goals for the season, which will create a record for this association.

Sorry to hear that Bill Stanton has to undergo an operation, as he has been playing excellent football, and will be missed by the rest of the team.
